Investing for Success

Under this agreement for 2020
North Shore State School will receive

$164,748

This funding will be used to

- Meet the target of 90% of students receiving C or above for English and Maths
- Meet the target of 95% whole school attendance
- Meeting targets for extending high performing (A and B) students in:
  - Year 6 - 50% in English, 50% in Maths
  - Year 5 - 50% in English, 55% in Maths
  - Year 4 - 45% in English, 65% in Maths
  - Year 3 - 60% in English, 70% in Maths
  - Year 2 - 70% in English, 75% in Maths
  - Year 1 - 55% in English, 50% in Maths
  - Prep year - 85% in English, 95% in Maths

Our initiatives include

- providing focused and intensive teaching and capacity building of staff with a focus on meeting school targets for students receiving C or above for English and Maths, as well as meeting targets for 'A' and 'B' students
- develop teacher capacity to improve digital pedagogies and practices
- track, monitor and support whole school attendance and provide support for at risk students

Our school will improve student outcomes by

- employment of an Digital Pedagogies Support Teacher (0.5) to enhance students access to the Australian Curriculum $45,000
- employment of STLaN – Curriculum support with a focus on building teacher capacity and pedagogy (1.0)
- employment of attendance support staff member to provide data profiling to Inclusion Support Team $15,000
- develop the capacity and the professional learning of leadership team members to be effective instructional coaches $14,748
